

# **‘ABUSED? YOU MUST NOT SUFFER A DAMAGING LIFE SENTENCE!’**

## **‘ONLINE PREVENTION & MANAGEMENT OF THE IMPACT OF CHILD AND DOMESTIC ABUSE’**

### **OVERVIEW:**

**Hear Me** is a free to use, secure online service, enabling individuals and organisations to process concerns about abuse. Direct access to our team of abuse experts limits the impact of abuse helps the abused rebuild their lives by managing the past and focusing on their future.

**Hear Me** exists because young people today have confidence when using smart phones to communicate via the internet. This makes it easier for the abused to discuss their issues confidentially and securely with our abuse experts benefitting from a quick and efficient service.

### **PROFESSIONAL NETWORK:**

**Hear Me** enables a multi-disciplinary approach to managing all forms of abuse, this means members obtain what they need when they need it! The network includes therapists, trauma consultants, lawyers, charities, education, local authorities, the Police and Social Services. All professionals are qualified to assist, initially by helping to validate or negate concerns; once validated they provide access to the specific skills to support the abused and their families.

**Hear Me** provides our professionals with the latest communication and client management tools enabling them to quickly determine if their service is applicable. If not, an instant referral to the correct professional is provided. Professionals create their own multi-discipline team to meet a client's needs which increases quality of care enabling professionals to focus their specific skills on the client.

### **ORGANISATIONS**

**Hear Me** works with youth groups, schools, sports and health clubs, religious organisations etc. The extensive safeguarding facilities increase the protection of children and young adults in their care whilst reducing criminal and civil liabilities. Best practice is achieved by co-ordinating with organisations as ISI, Ofsted, researchers both in the UK and US. This means we make safeguarding consistent accessible and easy to use.

**Hear Me** updates and automates the safeguarding processes, secure communications, staff training and many organisational processes. The internal library ensures the safeguarding team have direct access to information, advice and support to manage the risk of abuse.

**Hear Me** functions as an effective partner to our comprehensive education programs. This is because children/delegates often wish to tell their story after training. They can do so in confidence.
